

Voters Of Frankfort, New Lenox Elect Town Tickets

Republicans won all the town offices at stake in New Lenox township in Tuesday's election but in Frankfort township the Republicans dropped the office of assessor to August Santoro, Frankfort attorney and a law partner of State's Attorney George E. Sangmeister who was elected last fall on the Democratic ticket.

George Tate, incumbent supervisor in Frankfort township, was re-elected on the Republican ticket as was Harold Cooper, incumbent town clerk, and Burnett Schram, collector, was re-elected.

Attorney Santoro, who was running against Assessor Harold Smith, the first Democrat to be elected to office in Frankfort township as far as can be determined. The ticket on which he was running, however, was the Peoples, but Santoro has been quite active in Democrat circles in the county. The Democrats had a ticket at New Lenox but called it the Citizens party.

The Peoples protested 335 ballots cast in the election, mostly those on which the name of Berle Needham, Mokena, was written in for assistant supervisor. Santoro said that Needham's election as an assistant supervisor would be protested.

Needham was originally nominated by the Republicans for assistant supervisor but for lack of proof that the township had the required number of residents (7,500) to entitle the township to another seat on the county board, his name did not appear on the ballot. However, the Republicans contend that the tentative figure of 8,000 population given in an official census bearing the date March 23, 1965, would make the write-in legal and effective. The Peoples party takes the position that the writing-in of Needham's name should be construed as an identifying mark and the ballot not be counted.

UNOFFICIAL RETURNS

The unofficial returns on the candidates appearing on the ballot are as follows:

For supervisor, Tate, 1,142; Ted Massey, (P) 1,009; For town clerk: Cooper, 1,206; Alfred Behnke (P), 938. For assessor: Santoro (P), 1,114; Smith, 1,040. For collector: Schram, 1,248; Leo Marcoux (P), 812. For town auditors: Republicans, August Werner, 1,090; Richard Heim, 1,078; Rudolph Urbano, 1,079; Peoples, Florence Pitman, 1,060; Wilbur Schalk, 1,016; Cal Heath, Jr., 1,045.

The unofficial returns from New Lenox township:

For assistant supervisor: John Oster, x 1 (R) 1,359; John Brent (C), 849.

For town clerk: Frank Kluge (R), 1,343; Robert Stockley (C), 851.

For assessor: Frank Clerk (R), 1,314; Dominic Rini (C), 865.

For town auditors the Republican candidates polled the following vote: Kenneth Allen, 1,286; Ronald Vondrasek, 1,383; William

Loucks (R), the only incumbent running on the entire ticket, 1,254.

The defeated candidates for auditor on the Citizens ticket received the following vote: Durward Killinger, 842; John Techman, 872, and Ed Knowles, 878.

Mrs. Beverly Welsch (R) was elected to the library board for a two-year term, receiving 1,278 votes as compared to 822 for her opponent, Kenneth Sak.

GREEN GARDEN

In Green Garden 74 votes were cast in the uncontested election, Republicans re-elected were Clinton Mark, town clerk; Carl Toepper, assessor; Vernice Wilke, collector; William E. Bettenhausen and Wayne Krapf township auditors. Also re-elected as an auditor was Maynard Werner, a Democrat.

Clark Watkins, a Democrat, was elected supervisor in Manhattan township, defeating Fred Richards, Republican. Donald Gilleland (R) was the winner in the town clerk's race, beating the incumbent Democrat, Thomas J. Riley, Sr. Edward A. Mueller, (D) was elected assessor without opposition and Henry C. Borhcardt (R), unopposed, was elected collector. Ralph Smith, Lawrence Meyer and Kenneth Mundt, Republicans were elected auditors, and two Republicans, Lillie Greenwood and Laura Hed-

burg were re-elected library trustees.

In Homer township veteran county board member Barney Welter was defeated for re-election as supervisor by Charles B. Jungles by 47 votes, 171 to 124. The Democrat, Earl Olsen, finished with 127.

William Dobbs (D) was elected town clerk by one vote over Catherine Eaton, 158 to 157. Mrs. Eaton ran on the Citizens ticket. The Town Party candidate, Charles Trantina, polled 105 votes.

William Erfort (D) was elected assessor by three votes over Edward Kennedy (C), 153 to 150. Arlene Welter was elected collector.

Tentative Census For Frankfort Twp. 8,000

The preliminary census figure for Frankfort township is 8,000, it was reported by Martin Bauer, of the U.S. Census Bureau, supervisor of the special census taken here the last two weeks of March.

The population as of April 1, 1960, when the last general official census was taken, was 5,674. The 8,000 total given as of March 23, shows a gain of 2,236, or approximately 38 per cent.

Mr. Bauer, in a letter addressed to Frankfort township officials, pointed out that the 8,000 figure is subject to review but is believed to be substantially correct. It is probable, he said in a conversation with Supervisor George Tate, and the final total will exceed that number.

The official certification of population will be made at a later date by the Director of Census and forwarded to Town Clerk Harold Cooper.

Arrangement for the special census was made by town officials but the cost will be shared on a pro-rata basis by the township and the two villages, Frankfort, and Mokena. The final bill has

not been received but it is estimated that it will run about \$2,000, probably less, Tate said.

The preliminary report does not give a break-down of the population in incorporated and unincorporated areas but Bauer was quoted as saying that both villages show population gains. This is of importance to the municipalities, it was pointed out, because their share of the state motor fuel tax is allocated on a per capita basis, at about \$5 a head.

The village of Frankfort should show a greater population gain than Mokena, it was explained, because Frankfort has annexed some areas since 1960 that are being built up with homes.

When the next township election comes up Frankfort township will be entitled to another seat on the county board in the person of an assistant supervisor, as the population will be in excess of 7,500 as set forth in the law.

The special census was taken by 16 enumerators and Mr. Bauer commended them on doing an excellent job in the face of adverse weather conditions.

School Dists. To Elect Board Members Saturday

School elections will claim the attention of voters this Saturday, April 10.

The polling places will open at 12 noon and close at 7 p.m. Voters must be registered.

In the districts of the area only board members are to be chosen. There are no bond referendums in any of the school territories in the area this spring.

School board members are elected for three-year terms and receive no salaries or fees for their services. School boards, it was explained, deal chiefly with questions of policy and are responsible for the spending of a district's revenues, which are quite substantial.

Two places are to be filled on the Lincoln-Way high school board, Dist. 210, and there are five candidates.

Two of those running are incumbents, Mrs. Beatrice Link, Lincoln Estates, and George L. Preston, New Lenox. Both were first elected three years ago. The other candidates are: Carl Schonwise, New Lenox, an employee of the Caterpillar Co. and was a member of the special citizens committee to evaluate a site for a second high school; Walter C. Niedringhaus, of Mokena, an employee of a Chicago dairy and is an ensign in the Seabees of the naval reserve unit at Rockdale, and Joseph Gregg, of Manhattan, who operates an insurance and real estate business.

Grade school buildings will serve as polling places; Frankfort, Mokena, (Carpenter Street), Haven (New Lenox), Manhattan, Ann Rutledge (Lincoln Estates) and Arbury Hills.

At Mokena, Dist. 159, two are to be elected and there are three candidates, Ray J. Toppen, secretary of the board, who is employed by the U. S. Treasury Dept. in the division of loans and currency; Edwin W. Yunker, a farmer, and Walter Buske, a crew leader for NL-Gas Co. Toppen and Yunker are

incumbents. Carpenter Street school is the polling place.

At Frankfort there are four candidates for the two places open on the board this year. Kenneth L. Oetter, 266 W. Nebraska, is the only incumbent in the race. The others are, Mrs. Patricia A. Gillian, of 515 Illinois rd.; Dale Kratzberg, Rt. 3, and Nicholas Fisher, 227 Maple street. Mrs. Gillian is a former teacher; Mr. Kratzberg is a farmer and Mr. Fisher is employed by the Starr Disposal plant at Park Forest. The grade school will serve as the polling place.

At New Lenox six filed petitions for the two places to be filled on the grade school board there. Only one of the candidates is an incumbent, William J. Heidrich, who is the current president of the board. The other candidates are, Ralph E. Staples, 1110 Elm Drive; Victor A. Tinley, 153 Barbara lane, Donald W. Hunt, Rt. 1; Earl (Woody) Woodruff, 304 Hillside road and A. J. Turner, 163 Barbara lane. The polling place is Haven school.

Three are to be elected to the Arbury Hills school board. Arbury Hills is District 161. There are three

places to be filled and three candidates. Two of them are incumbents, Robert Dickerson, 9528 W. Hickory, who is employed at the Argonne National Laboratory, and Hyman Kronick, 9437 W. Pine, who is employed by Western Electric Co. The third candidate is Herbert Neumayer, Sr., of 191st and 76th ave., dietician for Tinley Park state hospital. Mrs. Thelma Estes, secretary of the board, is completing a term and did not choose to seek re-election. Arbury Hills school is the polling place.

There will be a contest for the board of education of Dist. 56-C, (Ann Rutledge school) Lincoln Estates. Two board members are to be elected and there are four candidates: Cal Heath, Jr., current president of the board who is seeking re-election; Richard A. Smith, Don Schofield and Elwood Zitter. In last week's paper Mr. Smith's given name was incorrectly published as Robert. Dennis Wheeler, whose term expires this month, was not a candidate. His duties as a teacher in Bremen township high school would prevent him from attending all the board meetings.

State Scheduled To Take Bids On FAI-80 Overpass

It is reported that the state highway department is to take bids this month on a grade separation contract involving FAI-80. The work is to consist of carrying Wolf road over the route of I-80, somewhere in the vicinity of 183rd st., just north of Mokena.

Surveyors were working last week on Francis rd. in the vicinity of Sievert rd. An overpass is to be built there as I-80 is taking southerly course there preparatory getting south of U. S. 30.

Work on I-80 east of Joliet has been slow in developing and that progress will continue to be slow unless sufficient pressure is brought on those in charge of these interstate highway programs to get action.

Despite cold and snow work on the interchange on U. S. 30 west of New Lenox has continued at intervals thru the past winter.

Grading operations have not begun any place between the east edge of Joliet and Hazel Crest.

Tate Suggest Way To Get Delinquent Taxes Current

Supervisor George Tate, of Frankfort township, has launched a move which he

hopes will spur collection of personal property taxes now delinquent.

On Monday of this week Supervisor Tate declared "that the time for pussy-footing is past ... the time for direct action is now."

There have been people who have led movements to refuse payment of personal property taxes but Tate has a different approach. He would pay personal property taxes when due but in escrow, withholding release of such escrow until the proper authorities preceded with the collection of such taxes now long delinquent.

He urges other taxpayers to follow his suggestion.

"We, who have been faithful in facing up to our obligations as taxpayers can no longer tolerate bearing a tax burden which many are allowed to disregard," Tate declared.

"A determination must

be made now," he continued, "whether ALL taxpayers must pay their personal property tax or NONE should pay."

"When the tax bills are distributed, I will deposit my personal property tax payment in the Frankfort State bank in an escrow account and will not release it until the treasurer of Will county and the state's attorney of Will county assume the responsibilities of their office and proceed to the collection of delinquent personal property taxes for at least a period of six years."

"I earnestly seek the cooperation of all Will county taxpayers who have complied with the law, to join with me in putting up the money but withholding payment until the question is resolved once and for all."

Need Volunteers For Park

Weather permitting, April 26 will be a workday at Frankfort Community park and the S.P.C. which has been the force behind the park improvement program under the guiding hand of Mrs. Irving Rudman, is looking for volunteers to aid in the many chores.

Mrs. Rudman, who was at the village board meeting Monday night, discussed the need for some clearly defin-

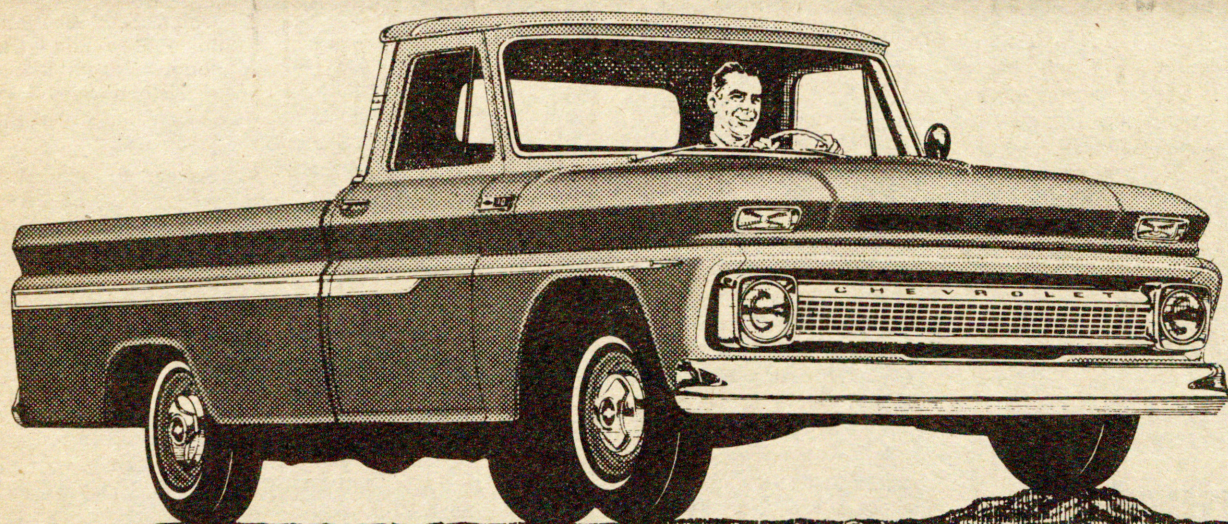

ed parking areas to prevent the mixture of foot and vehicular traffic, with most of the foot traffic being supplied by children.

The baseball committee was again granted the privilege of selling refreshments at the park. The proceeds are divided half and half, with the Babe Ruth teams getting one portion and the other going into a fund for the ultimate purchase of a new backstop for the ball diamond.

Plans are being made for the annual Memorial Day festivities at the park following the parade and visit to the veterans graves in the cemetery. There will be volleyball and baseball games and other activities, Mrs. Rudman said. The parade will be held at 12:30, after church, as Memorial day falls on Sunday this year.

When Mrs. Rudman left the hall Mayor George Sangmeister, whose term expires this month, thanked her for the enormous amount of work she had done in promoting the development and improvement of the park.

Pratt, pastor of the Manhattan church, and the Rev. Theodore Rockwood, pastor of the Peotone Methodist church, officiating. Burial was in Wilton Center cemetery.

Group Plans Long Range Athletic Program In Area

A new baseball league under the name of "Lincoln-Way Area Baseball Association" was organized by a group of men interested in promoting Little League and Babe Ruth League baseball in the Lincoln - Way area. The meeting was held at Moss Equipment store in New Lenox Tuesday, March 30.

Norman West of Lincoln-Way high school was elected president; Dr. Lowell M. Webb of New Lenox, vice-president; Al Sorensen of Mokena, secretary and Jerry Francis of Frankfort, treasurer.

Invitations were extended and accepted by the Lincoln-

Way high school athletic department to attend the meeting. With their valuable assistance, a long range athletic program will be planned for the future that will include flag football, inter-mural basketball and other sport activities. It was the opinion that a well conducted program would provide better trained and conditioned young athletes upon entering high school.

A survey showed that eight Little League teams and six Babe Ruth teams will play in the league this season. The teams will be from New Lenox, Mokena, Frankfort, Manhattan, Lincoln Estates and Arbury Hills. Little

League will play on Tuesdays and Fridays and Babe Ruth teams on Mondays and Thursdays. A staff of umpires from the Will County Umpires Assoc. is being considered to officiate the games.

It was agreed upon that a rule be inserted in the by-laws drawn up at the next meeting that baseball players on the Lincoln-Way high school summer league squad will be ineligible to participate in our league.

Men attending the first meeting were: Robert White, Lincoln Estates; A. L. Willis, New Lenox; Ron Schaper, New Lenox; Bob Allen, New Lenox; Bob Mackey,

Joliet; Jim High, L-W; Bob Randolph, New Lenox; Don Stephen, Frankfort; Ken Waldvogel, Frankfort; Elmer Palka, Mokena; Jerry Francis, Frankfort; L. M. Webb, New Lenox; James Tilsy, Mokena; Dick Prather, Arbury Hills; Fran Cones, Arbury Hills; Jar-don Maryano, Arbury Hills; August Santoro, Frankfort; Ken Mundt, Manhattan; Earl Moss, New Lenox; N. B. West, New Lenox and Al Sorensen, Mokena.

The next meeting will be held Tuesday, April 13 at 7:30 p.m. at Lincoln-Way high school. Anyone interested in the program is invited to attend.

Sign For Babe Ruth, Little Leagues At Mokena April 9, 10

Prospects for the Babe Ruth and Little League teams in Mokena are to register this week-end, it was announced by those in charge of this annual spring event.

Registration applies to baseball-minded boys ranging in age from eight to 15. They can sign-up Friday night, between 7 and 9 o'clock or on Saturday morning (April 10) between 11 a.m. and noon. Registration will take place at the Mokena fire station.

Youngsters who fail to register on these two days may not be eligible to play in a newly formed Lincoln-Way

About 45 athletes at Carl Sandburg were awarded varsity letters for participation in winter sports at the close of the season. The presentation were made at the annual Winter Sports banquet sponsored by the Eagle Boosters Club.

Varsity baseball letters

went to Bruce Hyink, Doran Harding, Roland Roth, Drew Corley, Bob Miller and Van Broman.

Wrestling awards were given to Dan Peterson, Larry Clark, Tom Haislet, Robert Hunnewell, Richard Fitzpatrick, Larry Cobden, Rick Miller, Harry Werner, Jesse Powell, Karl Pnazeck, Ed Apel, Bill Karolich and Robert Baker.

Lettering in swimming were Terry Brazel, Bob Daliege, Jim Daliege, Bob Hutchinson, Dave Jedlicka, Tom

Johnson, Harry Lemberg, Jim McNaughton, Mike McNaughton, Bob Negro, Steve Olson, Duane Polson, Nap Polzup, Warren Raybould, Gary Schneider, Art Schuber, Alan Stoller, Doug Stoxen, George Ware, Ray Widmer and Barry White.

About 150 other awards were presented to athletes competing below the varsity level.

Athletic director, Joe Devine, said that a record number of parents and fans attended the dinner.

area league, in which Mokena is to have two Babe Ruth and two Little League teams. They will play teams from New Lenox, Manhattan and Frankfort townships and perhaps a few other outfits not too far afield.

Parents of boys joining these teams are expected to give a hand to insure the success of the program.

Each boy who registers is to pay a fee of \$5. These fees are used in meeting some of the expenses of the program but don't cover it all by any means, it was pointed out.

Net Talent Responds To Call

Carl Sandburg's first tennis team opened their season this week against Argo.

Looking ahead coach Larry Henson said, "This year's team will be inexperienced and will depend on the desire of the boys." He went on to say that interest in the school seemed to be present as shown by the fact that over 20 freshman and sophomores turned out for tennis while the varsity consists of ten.

All tennis matches will be played away because at present Sandburg has no courts. Henson said this would hinder the boys somewhat, but that this is only to be expected. Henson went on

to say that this year will be a building year and that next year courts will be build, and as a result, interest in the team will grow.

During the season practice will be in the Sandburg gym, at Bremen and Oak Lawn high schools and at the University of Chicago's Field house.

The most promising boys this year for the varsity are seniors Mark Moyle, Bob Janecek, Nap Polzup, Tim Sedgwick, Jim O'Brian and Chuck Compher; also juniors Bill Reed, Dennis Sundstrum, Neal Gould and Kent Johnson.

BY BILL KAROLICH
The '65 Sandburg Eagles are ready to start the conference baseball season next week against Lincoln-Way. Leading the way for a conference championship are regulars back from last year, Jim Richardson, Jerry Knapp, and Tom Hofferica.

Other members from last year's team who are back are: Ed Peterson, Roland Roth, and Jeff Bodwin. Leading the unproven pitching staff are lefthanders Don Urbanciz and Roland Roth. Jeff Bodwin, a four-year pitcher, and Ed Peterson, a first-year pitcher, round out the mound staff.

Coach Eade indicated, even tho the pitching staff is inexperienced at the varsity level, the staff is still quite adequate.

Coach Eade's team is quite set! At catcher is Jim Richardson, at first base is George Depeder. The rest of the infield includes Tom Hofferica at second base, Jerry Knapp at shortstop, and either Al Ivins or John Arnold at third base. In the outfield he has, Phil Aliano, Ron DeHartough, John Palmer, or one of the pitchers.

Coach Cliff Eade takes over the varsity head coach spot, after three years of

coaching the frosh-soph team. He had one championship team. The head coach spot was vacated when Henry Meier took over as athletic director at Stagg. Coach Eade thinks, with tight pitching, good defense, and good speed on the bases, that the team should go a long way.

The major threats to the Eagles this year are Evergreen Park and defending conference champ, Rich East.

The Eagles lost many key players through graduation, but with some good hitting and some breaks, they may go a long way.

Residents To Discuss Water Problem Tues.

MRS. EDWARD HOVI
479-5740

The Arbury Hills Civic Association will hold a special meeting next Tuesday evening, April 13, at 7:45 p.m. to fully discuss the water situation in Arbury Hills.

There will be three alternatives for the residents. First, and easiest, would be to do nothing and leave the matter as is. Second, a water and sanitary district could be formed to purchase the waterworks. Third, Arbury Hills could incorporate into a Village and purchase the waterworks.

Following a thorough discussion of each alternative, the people present will be asked to vote on the solution they feel would be best for the community.

If anyone needs further answers to any questions, he should sign his name to the vote, and will be contacted individually.

The outcome of the voting will determine any further possible course of action. Attendance is essential in order that the vote be a true representation of the feelings of the residents of Arbury Hills.

The Arbury Hills Boys Baseball League will hold its regular monthly meeting at the school Monday evening, April 12, instead of Tuesday, April 13, so it will not interfere with the Civic Association meeting.

LINCOLN-WAY FFA member, Charles Brunson, is still on the way up in FFA speech contest work. Last year Charles won the Chapter contest but was defeated in the Section. This year, he again won the Chapter Prepared Speech contest. He also won in the Section FFA Contest and will compete in the district contest on April 14. Charles is a sophomore. Before he is out of high school, if not this year, we expect to have a State FFA Speech winner. He is being coached by FFA Adviser, Robert Van Rheeden on his subject, "Charolais, A New Beef Breed Horizon".

JAMES McMAHON, an 8th grader at St. Michael school, Orland Park, took top trophy for his science exhibit in the science fair at the school and it now represents St. Michael's in the archdiocesan contest.

St. Michael Boy Wins Science Show Trophy

While the city of Chicago celebrated the flight of Gemini I, St. Michael grade school, Orland Park, encouraged future scientists in presenting its annual science fair Tuesday, March 30. Seventy semi-finalists from 6th through 8th grade under the direction of John Harris, science instructor, presented their projects for judging and exhibition.

Walking away with the school trophy for "Best Project at the Fair" was the "radio controlled robot" - an intricate system of wiring, transistors, relays and antennas. The trophy was accepted by the "Robot's" master, 8th grader, James McMahon, son of Mr. and Mrs. James McMahon and 13201 S. 80th Ct., Palos Park. The project will now represent St. Michael school in the Archdiocesan Catholic school science fair.

All projects were placed in one of five categories. First place winners in each category were: Anatomy: - "Your Lifeline", Anitra Palmer and Sharon Howard; Biology: - "Penicillin, The Wonder Drug", James McCarthy and Robert Mayer; Electronics: - "Electronics

In the World Today", John Higgins; Geology: - "Taconite Development", Susan Wagner and Carol Wunderlich; General Science: - "The Mercury Capsule in Space", John and Thomas Daliege.

Second Place winners were: Larry Gallagher, Linda McMahon, John O'Donnell, Robert Bibeau, David O'Donnell, Timothy Mockaitis, Paul Benk, Michael Neis, Albert Fial and Luanne Rozgo. The third place winners were: George Scholz, David Steffgen, Donald Kirby, Cheryl Butler, Mary Cassidy, Christine Nelson, Greg Paetow, William McCarthy and Tom and Frank Germino.

According to the Rev. Victor Sivore, assistant pastor of St. Michael parish, who presented the awards to the winners, the judges had declared that each was as good or better than any they had seen from high school freshmen in any science fair.

Holy Week Chapel Hours

Telephone: 479-3521

The annual Holy Week Youth Chapel for all grade school children will be held Monday thru Thursday, April 12 to 15 from 8:15 to 8:45 a.m. in St. John's United Church of Christ. Special school permission will be given to those students, it is said, desiring to attend the service.

The following leaders conducting the daily services will speak on the theme "Remembering Jesus": Rev. Theodore C. Wimpler, pastor of the host church; Rev. Robert Watson, Mokena Methodist and Rev. August J. Buelmann, Immanuel Lutheran.

A daily offering will be taken with the total collection to be divided between the Trinity school, Easter Seal drive and the Will County Council of Churches.

The LYL of Immanuel Lutheran church is sponsoring an Easter breakfast after the 6 a.m. service, April 18. There will be a free will offering. Proceeds will go to the building fund for the new church.

The American Cancer Society has designated the month of April for its annual crusade. The volunteer crusaders will begin their door-to-door appeal in the Mokena area Thursday, April 1.

The chairman of the Mokena crusade is Mrs. H. James Wrath. Co-chairman are Mrs. Harold Cadwallader, Mrs. Ted White, Mrs. Don Guendling and Mrs. Robert Schultz.

Workers for the campaign are as follows: the mesdames George Kuehn, Henry B. Speaking at Park View Baptist church, Scott and LaPorte road, on Sunday, April 11 at 11 a.m. and 7 p.m. will be the Rev. Arthur Stejskal, missionary to Taiwan with the Evangelical Alliance Mission (TEAM) since 1959.

Stejskal worked with the Amis tribal people, first in Chengkung on the east coast, then in Taitung further south. He conducted reading classes in the homes, encouraging the people to learn to read their own language as a foundation for evangelism and spiritual growth for the Christian. Mr. Stejskal also trained a staff of national workers in the fundamentals of writing, and published a monthly evangelical paper.

The Amis people have a matriarchal society. The girl proposes to the boy, and after marriage the young couple live in the woman's house. Even today all property is held in the name of the oldest mother in the house--there are three to six families living in their large, thatch-roofed houses. There are 85,000 Amis-speaking people on the island of Taiwan.

The Evangelical Alliance Mission with which Mr. Stejskal is associated is an interdenominational foreign mission society with 830 missionaries serving on 19 mission fields.

These services are open to the public and all are welcome.

ship hall.

Good Friday services will be held in the church April 16 at 7:30 p.m. Holy communion will be given. The meditation theme is "Love's Conquest."

Name Election Judges

Six election judges, all women, were named by the Frankfort village board Monday night to serve in the municipal election there April 20 at which time a mayor, a village clerk and three trustees are to be chosen.

There is but one polling place, the village hall on Kansas street, and it will be

open from 6 a.m. to 6 p.m. Those selected as judges of election are:

Mrs. Frieda Marti, Mrs. Luceille Batson, Mrs. June Nieland, Mrs. Clara Schellhase, Mrs. Marie Mager and Mrs. Juanita Ewing.

In the resolution covering the designation of the polling place, the hours of election and the appointment of judges authorization was given to make substitutions for any of the judges named who are unable to serve.

The board also adopted a resolution at the request of a federal bureau, to the effect that the survey made for a sewer system in 1946, for which the federal government allowed the engineers \$2,705, was not made use of in the plan or design for the sanitary sewer system since built. The village board asks to be released of any liability for this sum "upon the payment of no dollars."

A new United States flag, 4 x 6 feet in size, is to be purchased by the village for display on the pole at the village hall. The present flag is too wind-whipped to be shown.

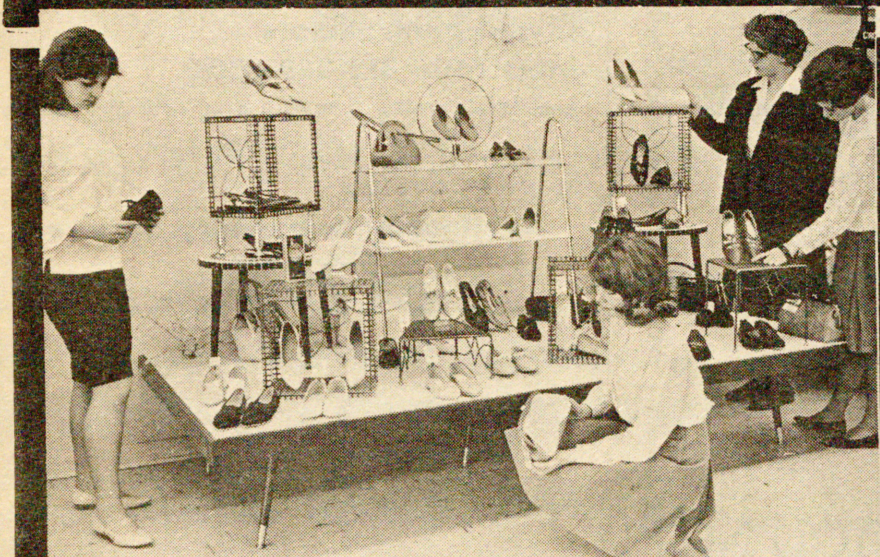

Attorney Herbert Folkers appeared before the board to ask payment for a sewer easement that cut thru his property. His claim covers 1,587 feet. The village is willing to pay for 881 feet but contends that 706 feet runs along U.S. 45 and that permission to put the sewer there was given by the state highway department. Folkers says that he gave the state an easement for the highway and contends it has no right to share the easement with the village.

The price agreed upon for the easement is 43 1/2 cents a foot which would mean payment of \$383.23 for the 881 feet. In dispute is \$307.11.

Folkers was to give his decision to the board at its next meeting.

Because the next regular meeting night falls the day

before election the board decided to advance the date to next Monday night, April 12.
